Organizers Information Sheet 2020 Spring Hanging Basket Fundraiser

We are pleased to offer to you a selection of Hanging Baskets grown here in Alberta at Meadowbrook Greenhouses. Bring color to your community with beautiful plants and raise funds for your club at the same time. They are just what you need to welcome spring and celebrate Mother's Day!

Cost and Profit

The cost of the baskets is \$16.75 + GST. A retail garden center's price ranges from \$26-\$35 for these baskets. This could earn your club a profit of more than \$10 per basket. Your selling price can be higher or lower, you choose.

Packaging

The baskets will come to you individually wrapped in a large plastic sleeve, which is used to protect the plant during shipping. These plants are grown in a high soil volume 10" diameter plastic basket with hangers attached. Each basket will come with a tag describing the plants and plant care.

A must have for Spring 2020!

We recommend an EASY-TO-USE Organic All-Purpose Fertilizer that is suitable for use on any type of plants, flowers or vegetables to maintain nutritional requirements and plant quality. A must have and easy and safe way to maintain your beautiful baskets! Available for just \$10.00.
