

Participants Information – 2020 Spring Hanging Basket Fundraiser

- Our 10” Premium Hanging Baskets will arrive ready to hang and give a bright vibrant splash of color all spring and summer.
- EASY-TO-USE Organic All Purpose Fertilizer. A must have to maintain your beautiful baskets!
- Fertilize them with our Organic fertilizer once a week.
- Meadowbrook starts growing the 10” premium hanging baskets in late January to allow for early May delivery.
- The baskets have been trimmed several times to make them vibrant, full, fresh and stronger.
- When you get your baskets, keep them moist – not wet. Place in a somewhat protected sunny location.
- Mother Nature will choose your colors. Many different combination plantings will be made (Colors and combinations will vary).
- A fresh, healthy, and fabulous way to naturally color and beautify your yard!
