 - c. Job List:
 - i. Still working on a couple of tack stewards (need to make sure that judge has a copy of our tack rules and understands that if the tack steward has approved the member they should be good to go – if necessary for discussion to take place the show will be paused)
 - ii. Link to app will be sent out
 - iii. Grounds during speed events – everyone to help clean up arenas on Thursday evening after orientation, dirt in indoor will be a little different but we can only do so much because dirt we get is what we get, Jocelyn will try to get another donation of sand to add to the dirt
Henry Leeder will help with the grounds again this year. Can come in the evening to assist with putting dirt in perhaps. Lawrence will try to ensure that more dirt will be put around the edges (30’ out from boards) than in the middle – the opposite of what happened last year.
 - iv. Appeals committee – 3 people who don’t have kids participating, preferably people who are going to be here, send names to Berit or Leslie (to forward). Parents from other areas that have horse knowledge can also be part of this committee. Leslie Majeau, Laurie Maycher & Faye Sperling volunteer. Dale Greig can be fourth person if someone from one of these three clubs is involved in

- d. Sponsorship Received:
 - i. Laurie Maycher – got prizes (drawings) taken care of and Warden will look after getting them put in the page protectors.
- e. Ribbons – Berit wants to label all ribbons and stuff them in the page protectors before the show
- f. Will have an awesome table for horse again. Looking for stuff for the table. Berit to get sponsor letter from Tasha to share with clubs. Warden is fairly confident they can secure at least half.
- g. Polocrosse Clinic – cannot make timing work for this year.
- h. Laurie M has patterns for Western. Leslie has barrels and poles. Everyone is okay with volunteers and stop watches (not members) if we cannot get two sets of eyes. Evelyn will see if she can bring one set from Barrhead. Big West Cruizers will bring jumping equipment.
- i. Have harrows coming. Henry will ask about a groomer and Berit will ask Darwell for arena groomer.
- j. Outdoor pens – need to ask Berit about them.
