

Thank you for volunteering!

Adult volunteers are vitally important to the success of 4-H Alberta, and there is great benefit to having them registered for communication and opportunity purposes. This form is to be completed by any adult who wishes to provide support to club, district, region or provincial 4-H activities.

As adult volunteers, your time and commitment to 4-H Alberta is a cornerstone to making this organization a success for another 100 years. You are vitally important! 4-H Alberta is working to improve how we track the involvement of our vital adult volunteers. The purpose of this is for safety and risk management, to clearly communicate your roles and responsibilities, and to offer parents insight into the types of people that will help their child succeed in 4-H Alberta. As such, 4-H Alberta has initiated **3 categories** for adults to be registered in the online registration system for every 4-H Alberta Club, District and/or Region:

Trained Leader:

- *Must complete 4-H Screening by Dec. 15.*

- *May only volunteer under the supervision of a trained leader, and a second trained leader or a screened volunteer.*
- Support is provided at a club, district, regional, or provincial level through volunteer activities such as setting up venues, ongoing financial contributions, etc.

Trained Leaders and Screened Volunteers are invited to attend provincial and national educational opportunities (*leader training and conferences, project specific activities, etc.*). These events are stepping-stones for volunteers to build skills and develop into future leaders. Travel opportunities are also open to both Trained Leaders and Screened Volunteers, though additional training may be required for Screened Volunteers before travelling.
