

General Farm Labourer

Location: Lethbridge, AB

Date Posted: 6 April 2021

Closing Date: 6 May 2020

We own and operate a beef cow/calf farm and a 500 acres cash crop farm where we grow grazing corn, soybeans, barley and hay just outside of Lethbridge, Alberta. I have been farming for over 40 years and I am a Certified Crop Advisor. I am able and willing to take the time to teach a worker how we manage our farm and all the newest technologies that are available to farmers today.

Seeking a person for general labour on the beef cattle operation, but will get some exposure to the crop operation as well.

Duties:

- Yard maintenance
- Moving cattle both in a corral and pasture setting
- Corral and water bowl maintenance
- Helping with shipping and receiving cattle when needed
- Feeding and bedding of cattle
- Feedmill cleanliness and maintenance
- Monitoring calving cows and assisting where needed
- Processing newborn calves including vaccinating and health care

Assets:

- Willingness to learn and attention to detail
- Experience with calving cows and processing cattle in a feedlot setting
- Must be able to work in a rural area and able to work scheduled weekends
- Drivers licence
- Any Green Certificate is an asset

Goat Milker and Farm Labourer-Green Valley Farms

Location: Calgary, AB

Date Posted: 6 April 2021

Closing Date: 6 May 2020

We operate a 100 doe milking farm just outside of Calgary, Alberta. Looking for the right person to join our team of 3 people to learn all about the raising and production of Organic Goat Milk. We are passionate about our industry and hope you are also.

Duties:

- Milking daily (early morning and/or late afternoon shifts)
- Husbandry and care (feeding, bedding, watering) of the herd
- Ensuring proper sanitation and operation of the milking equipment
- Cleaning of the milking parlour
- Record keeping (kidding events, vaccinations etc.)
- General maintenance of barn including repairs, manure removal and bedding etc.
- Other farm chores as needed

Assets:

- Prior experience with kidding/lambing
- Farm work experience an asset especially in a milking situation but willing to train the right person
- Physically fit and comfortable working outdoors under varying weather conditions
- Able to follow direction well and work independently
- Be a team player, enthusiastic and learn new things
- Sheep Green Certificate puts you to the top of our list of applicants

Salary: \$14-\$16/hour depending on experience, regular reviews
