2021 event – Tasha has sent emails to the Town of Barrhead and the Ag Society. They are holding the dates for us currently

Tasha came up with 3 options of what Focus could look like for 2021:

Option 1 AHS lifts sanctions and it could go as normal

Option 2 AHS sanctions are partially lifted and we can have a 1 day event

Option 3 AHS Sanctions are partially lifted and we have a regional fun day instead

Don't think option 1 is a possibility due to planning restraints and not sure what we are planning for.

Is it worth trying to plan ahead without knowing what is the next few months are going to look like?

We don't know how many people we could have or will be allowed to have?

By the time we get that notification of sanctions being lifted it could be too late to start planning.

4-H Alberta is not allowing any in person district, interclub or regional activities until after AHS stage 4.

Potentially we can look at hosting a 1 day fun day for regional members in late summer if things are allowed.

We will make the announcement at the Regional meeting that Focus 2021 is cancelled.

Next meeting will be May 3rd at 7:00 pm

Meeting adjourned at 7:25 pm
