AIM is the program for Intermediate Members looking for a next-level summer experience! AIM features brand new, hands-on activities and time to connect with your peers. Get creative, adventurous and in touch with the wellbeing of yourself and others.

AIM delegates will participate in large group activities as well as in specialised interest stream activities. Choose between the "Creative Traveller", "Outdoor Adventurer", or "Science Explorer" paths to discovery!

More details on your assigned AIM stream, what-to bring to camp, emergency contacts, and other housekeeping items will be emailed out to all delegates closer to the camp start date.
