 Senior Reserve Champion: Alexander H from Foothills Sheep & Multi 4-H Club

Saturday Evening Competition - Tug O' War

Heavy Weight Class: Peter's Drive Thru
 Light Weight Class: Millarville Minis

Cleaver Kids 4-H on Parade Program

The theme for the 2023 Cleaver Kids Program was "Bees". The morning started out with some get-acquainted activities followed by each Cleaver personalizing their grey bee t-shirt.

Cleaver the Beaver paid a surprise visit to the group and was greeted with cheers and applause. The Cleavers were then divided into 7 groups and headed into the barns for the Amazing Race barn tour. They were asked to complete many questions about all the species and activities.

The guest for the afternoon was beekeeper, Katie Merchant. She brought bee hives and showed everyone how the honey is made and retrieved. There were many questions about the bees and the work they do. It was a wonderful learning experience for everyone. Each Cleaver Kid received a jar of honey and 3 packages of bee-pollinator seeds. Hopefully they will be able to attract some bees

The day ended with each Cleaver Kid receiving a goodie bag with assorted items, including the materials needed to make a tin-can bee hive. A huge "Thank You" to all the individuals and businesses who provided the items for the Cleaver Kids. A special thank you to 4-H Alberta for providing the lego banks (even the dad's loved playing with the lego), 4-H coins and 4-H tattoos.
