2023/24 4-H Alberta Projects (categorized by 4-H Pillar)

🍀 You can search this list for specific project names or examples. Use Control+F and enter a key word in the "Find" box that opens in the PDF. Use "Enter" key to move to the next option. Try different key words to find a match for the project you seek.

🍀 If you cannot find a match, try entering the word "other" and see if any of those "Other___" options fit for the project.

🍀 If a good match cannot be found, select an appropriate "Other___" or "Creative Options" project within the appropriate category/pillar and add the specifics in the ORS "Spec" field when assigning the project to a registrant.
