Message From the CEO

Dear 4-H Alberta Community,

As we continue into another year of growth and impact, I want to share some thoughts with you. Having spent time in the Department of Kinesiology, I've witnessed the ebb and flow of activity in the recreation facilities I led. Every year, there was a surge in January, only for things to settle back down to normal by February. But beyond the seasonal trends, I've also had the privilege of observing the habits of remarkable individuals, including Olympians, and I've even worked out with an astronaut (which, I must admit, was incredibly cool!).

What became clear to me was that the successful people did not tie to New Year's resolutions, lofty goals, or intricate plans. Instead, they centered around good habits—consistent, intentional actions that propelled them forward. In this spirit, I recommend reading "Atomic Habits" by James Clear if you're interested in exploring this further.

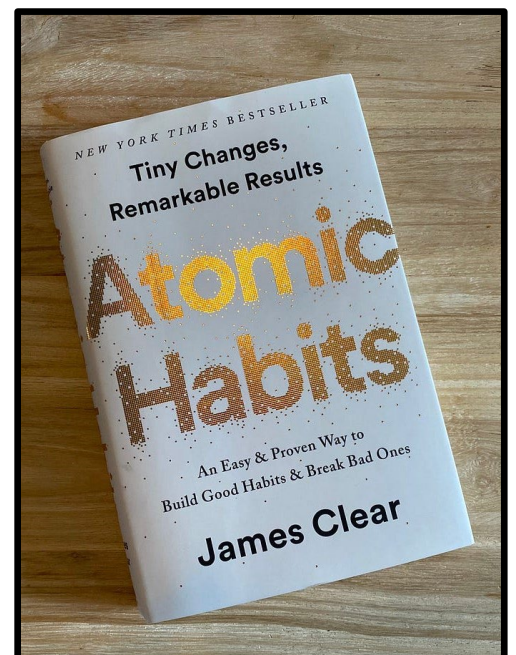

For 2024, let's shift our focus from resolutions to habits. I asked myself, what one habit could help all of us within the 4-H Alberta community? So, I delved into the feedback provided by our dedicated volunteers - one volunteer for every three youth across 4-H Alberta. As I reviewed years of feedback, a recurring theme emerged: Some volunteers engage in meetings, committees, and activities without a clear understanding of their impact on the youth. It's important to ask: Are these efforts truly aligned with the needs of our 4-H Youth? If not, perhaps it's time to recalibrate—to refocus on what truly matters... our Youth.

4-H Alberta's mission is to inspire, educate, and develop members who are outstanding rural and urban youth, leaders, and engaged citizens. By prioritizing what serves our youth, we can reduce and minimize extraneous tasks or habits that may no longer serve our youth as they once did.

Together, let's cultivate a culture of purposeful habits focused on youth—habits that lead our youth toward a brighter future!

Kurt Kinnear CEO,
4-H Alberta

Journey 2050 Contest proudly supported by Nutrien - Back for a second year!

Last year's contest was a huge success and Nutrien is pleased to hold another contest in 2024 with a new location to check out!

Are you interested in agriculture, sustainability, nutrients, and plant health? Are you curious about what farming looks like around the world? Did you enjoy last year's contest and are interested in touring Nutrien's Carseland Nitrogen Operations or would like to win some Nutrien SWAG??

Then sign up for two virtual Journey 2050 workshops delivered by our friends at Agriculture for Life. Workshops will take place on Wednesday, March 20, 2024, from 6:00 - 7:00 pm and Wednesday, March 27, 2024 from 6:00 - 7:00 pm.

During **Workshop #1 on March 20, 2024**, at 6:00 pm - Get an introduction to sustainability, nutrients and plant health.

During **Workshop #2 on March 27, 2024**, at 6:00 pm - Learn about careers in agriculture.

This contest and the workshops are open to members of all ages as long as each registered member has access to their own computer or Apple or Android device.

Workshops can be completed individually and independently from each other but completing both workshops will increase the chances of winning!

Volunteer Focus Groups = Time Well Spent

Our February focus groups were a hit! We engaged 22 amazing volunteers across 8 sessions, not to mention insightful one-on-one discussions with those who needed a different time or had more to share.

Feedback has been FANTASTIC! It's clear that the issues we're tackling are meaningful to you. More than just being heard, participants are optimistic about the impact their contributions will make and for positive changes to come.

Let's keep the momentum going! March is around the corner, and so are more Focus Group opportunities. It's your chance to share your ideas, your experiences as a volunteer, and most importantly, tell us why you love 4-H and how you want to see it thrive. Help us shape a brighter future together.

Ready to make a difference? **Sign up for our next session [here](#).**

Hear from your fellow volunteers:

- "I thought the topics were excellent"
- "This was fantastic"
- "I feel like good things will come out of this"
- "We've had so many meetings about this, but nothing happens after. I feel like you are going to follow-through"

Your voice is crucial in driving 4-H forward. Join us in March to add your voice to the conversation for progress.

Science Day 2024!

Double the Adventure, Double the Science! Join us on April 13, 2024, for TWO incredible 4-H Alberta Science Days designed for 12-14 year olds who are interested in science!

Want to learn new things, meet new friends, and experiment with science?

Choose your journey:

Battle Lake: Dive into a science-packed day with 6 STEM projects including Making Slime, Building a Generator, and exploring substances at our Science Discovery Day.

Calgary Zoo: Embark on an epic adventure featuring a Wild Canada Display and an interactive activity at the Asia Edu-Trek. Enjoy exclusive tours, hands-on activities, and learn about wildlife conservation and animal behaviors in a day full of discovery and fun.

Spaces are limited, so leap into action! Check the ORS system for all the details. Whether at Battle Lake or the Calgary Zoo, let's make science magic happen together!

Sheep Research Showcase

We're excited to share with our sheep community, the **Sheep Research Showcase**, a collaborative effort between Olds College and Lakeland College, aimed at those with a keen interest in sheep farming. This event will highlight the latest research and innovations in sheep health, production, and management. Attendees will have the opportunity to learn about new findings and practices that can improve the sustainability and efficiency of their sheep operations.

This showcase is an excellent opportunity for our 4-H members to deepen their understanding of sheep farming, engage with leading experts and researchers, and connect with like-minded individuals within the agricultural community. It's designed to provide valuable insights and practical knowledge that can be directly applied to your own farming practices.

Whether you're looking to expand your knowledge, explore the latest trends in sheep farming, or simply connect with others who share your passion, this event is not to be missed. It represents our commitment to offering educational opportunities that empower our members and contribute to their growth and success in the agricultural sector.

Beef Show & Sale Committees:

Here are a few things to keep in mind while planning your upcoming Achievement Day:

- Animal Rights Activists are everywhere - here are a few helpful tips:
 - Stay Calm and polite at all times.
 - Don't engage with them - do not respond or react
 - If you feel threatened in any way, call a leader
 - If there is a demonstration, call a leader
 - If someone is recording you as part of a protest, be prepared for your response to be shared publicly and act accordingly.
- Scale that is used for weighing market projects
 - Anyone selling a product that deals in price per weight, must have a calibrated and certified scale. If your scale isn't calibrated and certified, projects should be sold by the head.
- If you are an achievement day that likes to have a Jr. Judge participate please make sure you have consulted with the official judge you have and they are willing to mentor the junior you have selected.
- Please refer to the 4-H Alberta Reference manual for member payments - <https://www.4hab.com/wp-content/uploads/2024/01/The-4-H-Alberta-Reference-Guide.pdf>
- The BAC committee would also like to start to compile a list of judges that are available - after your achievement if you could please forward their names to BAC@4hab.com that would be great. Deadline - June 30, 2024
- General inquires about the Beef Project can be directed to the new email for the Beef Advisory Committee - BAC@4hab.com

New Draft Constitution for Clubs and Districts

It's time to prepare for the 2024-25 club year. **If you are not already using the draft constitution provided, it must be adopted for the next club year (2024-25)** What this means is that you need to include the information from the draft constitution (*you don't have to include the sections that show "Optional"*) but then you may add to it so that it fits your club or district. Remember that a constitution is a set of rules for running your club or district. It helps provide guidelines for conflict resolution. It also is the framework for action so that your club can accomplish its goals.

Reminder About Good Standing Requirements for 2024-25

The dates for submitting documents for the 2024-25 year are changing. Why are they changing? We have heard the community. In order for a club to plan their year, they need to know when the district and region are planning their events. Members want an opportunity to participate at all levels.

Region Due Date: *September 1/2024*

District Due Date: *November 1/2024*

Club Due Date: *January 15/2025*

If you have any questions regarding these new due dates, please contact your [Area Coordinator](#).

District and Regional Funding

Have you applied for this funding yet? Up to \$900 per region and up to \$200 for the first 33 districts, in good standing, are available this year. Applications are approved on a first-come, first-served basis. Your Area Coordinator shared the application form link with the district & regional presidents. Last day to apply is April 15/24.

FARMING SMARTER

2024 4-H Alberta Speakers & Emcees

THANK YOU!

Many thanks to our 8 members who brilliantly represented the South 4-H Region at the Annual Farming Smarter Conference.

Top: Issy D. Sophia S. Senya H. Tenley W.

Left: Faye T. Preston L. Wyatt L. Sophia W.

The Farming Smarter Conference and South 4-H Region Annual Auction Fundraiser was a great success. Thank you to all clubs, districts, sponsors and buyers for coming together to raise awareness and funds for our South 4-H Region Scholarship program. A full list of sponsors and buyers will be available on the South 4-H Region web page in the coming weeks. A huge thank you to our organizing committee who works tirelessly to arrange and support this amazing event! If you would like to part of the organizing committee for next year, please reach out to your District's regional representative so they can put your name forward.

PROJECT STANDARDS - UPDATED

[Beef Standards](#), and [Sheep Standards](#) have been updated by your Provincial Advisory Committees. Please ensure your clubs and district / regional committees are aware of all changes for the year!

Club Approval

- ★ All South Region Clubs have been approved for the 2023-2024 year. All South Region Clubs are currently in good standing. Congratulations and THANK YOU to our General Leaders who work so hard to ensure your clubs are running smoothly! Please ensure all members sign their forms so they too are in good standing!

Screening

- ★ If you last screened in 2020-2021 or sooner, you are DUE TO RESCREEN! If you need any help doing this, please call or email Connie. New police detachment letters are available.
- ★ New LEADER OR VOLUNTEER? Send Connie your Adult Registration Form to get screening / training started!

Activity Plans

- ★ Activities beyond the club level require an approved [activity plan](#).
- ★ If your club has a high-risk activity planned, it too will need an activity plan.

Being in Good Standing

- ★ It is important to be in good standing at every level of 4-H Alberta.
- ★ If you have any questions about what you need to do (as a Member, Club, District etc) to be in good standing, please consult the [4-H Alberta Reference Guide](#).

4-H on Parade

Please note that registration will be solely online this year and must be completed by each member attending. Registration closes on April 1/24 but due to the Easter weekend, there will be no office support from March 28 in the afternoon on. It is best to complete your registration before March 28.

Before starting your registration, please go to the [4-H on Parade webpage](#) for more additional information. All Calgary Region clubs that have representatives attending the planning meetings are eligible to participate.

4-H on Parade Leader Meeting Dates: Apr 22, 2024 (Balzac Hall)

Calgary Region 4-H Horse Committee Meetings: Mar 28, 2024, May 9, 2024

Regional Communications Competition: Mar 23, 2024, Strathmore Rec Centre.

Did you know that there are some changes to the communications rules and guidelines?

Every year we try to improve upon our guidelines. It is important that clubs and members check the website for the document every year so that you are aware of the most updated information.

To learn more, go to our 4-H Alberta website, click on *Downloads*, click on *Public Speaking* and lastly, click on "[Public Speaking Rules and Guidelines](#)".

Update Your Profile Please

All members, leaders, volunteers, and supporters need to go online and ensure that your profile is correct, including your email address. As well, please ensure that you have signed the:

- Medical section – if the field doesn't apply, just enter N/A
- Contact (for adults, this is an emergency contact)

Why do we ask the adults for medical and emergency information? If you are at an event and go unconscious, we need to know who to call as well as what to tell the paramedics. This way you get the best care possible, and we call the right person!

If your child has more than one guardian/parent, please consider adding them as a contact. At 4-H Alberta, if someone is asking for access to a member's profile, we can give it unless that person is listed in the contact section of the member's profile.

Mar 22-28/24: The area coordinator will be solely working the mornings (finishes at 12:30pm).

March 29-April 1/24: The office is closed, and staff is off for the Easter Weekend.

Questions?

You will find many answers to your questions in the [4-H Reference Guide](#). If you can't find your answer, please contact your 4-H Alberta Area Coordinator, Calgary Region, Jane Ellen Forbes at accalgary@4hab.com.

If you have questions regarding Calgary Region events or programs, please contact the Calgary Regional Council at calgaryregional4hcouncil@gmail.com.
